

## STUDENT RELEASE FORM

This is to give permission of publication of my child's creative work in a future book project sponsored by karla k. morton, the 2010 Texas Poet Laureate.

Morton's plan is to create a book and submit it for publishing that will include youth poetry and artwork about their town, springing from the poetry and art contests held and judged by the individual schools, as part of her Little Town, Texas Tour.

Permission is also granted to include the students' names and photos in this book, and in media releases, so that they may be interviewed in print, television, radio, etc., should the opportunity arise. Those students who are published will receive one free copy of the book, upon publication. Submission does not guarantee selection or publication.

I, \_\_\_\_\_, as parent/guardian of the student, \_\_\_\_\_, give my permission to publish his/her creative works, and to use his/her name and photo in the publication of this work, without notification and with the compensation of one free book. Permission is also given for any media interviews or publicity that may arise.
